

General Assembly

January Session, 2001

Amendment

LCO No. 7464

Offered by:

REP. STRATTON, 17th Dist.

To: Subst. House Bill No. 6553

File No. 335

Cal. No. 259

"AN ACT CONCERNING THE TRANSPORTATION OF MILK."

1 After line 60 insert the following and renumber the remaining
2 sections accordingly:

3 "Sec. 6. Notwithstanding section 14-270 of the general statutes, the
4 Commissioner of Transportation shall establish a pilot program
5 beginning July 1, 2001, and ending June 30, 2002, for the purpose of
6 issuing permits allowing a manufactured modular or prefabricated
7 commercial unit with a height greater than thirteen feet but no greater
8 than fourteen feet six inches to be operated upon any highway or bridge.
9 Such permit shall specify conditions under which such manufactured
10 modular or prefabricated commercial unit shall be permitted to operate,
11 including, but not limited to, the period of time such operation shall be
12 authorized. A denial of such permit shall be required to be accompanied
13 by a statement of the basis for such denial. On or before January 1, 2003,
14 the commissioner shall submit findings and recommendations
15 concerning the operation of said pilot program to the joint standing
16 committee of the General Assembly having cognizance of matters

17 relating to transportation, in accordance with section 11-4a of the general
18 statutes. As used in this section, (1) "modular or prefabricated
19 commercial unit" means the completely assembled and erected
20 building or structure designed for educational or commercial use,
21 including the service equipment, of which the structural parts consist
22 of prefabricated individual units or subassemblies using ordinary or
23 controlled materials, and in which the service equipment may be either
24 prefabricated or at-site construction, and (2) the following terms have
25 the meanings assigned to them in subsections (b) to (g), inclusive, of
26 section 21-85 of the general statutes: "Prefabricated subassembly",
27 "prefabricated unit", "prefabricated unit service equipment" and
28 "prefabricated".
